

## **General Rental Requirements**

- 1. Renters must obtain and maintain general liability insurance for equipment in their possession. A Certificate of Insurance from the agent, showing Delta Equipment, LLC as the loss payee showing the list cost to replace the tractor, must be supplied to Delta before the equipment is released.**
- 2. Rentals begin and end at the Delta facility. Renters are responsible for all equipment transportation and associated costs.**
- 3. Rented equipment is to be kept clean and daily maintained. A cleaning deposit is required at the time of rental and will be forfeited if the equipment is not returned clean.**
- 4. Renters will be assessed costs for repairs that result from inadequate maintenance, abuse or neglect.**
- 5. Devices that engage the ground are not part of the rental agreement but may be provided at a small fee. Repair and replacement of these devices is the sole responsibility of the renter. This includes plow blades, pins, points and guards for cable plows.**
- 6. Rental fee deposits and Certificates of Insurance are due in advance before shipping the tractor and on the first of each month/week thereafter.**
- 7. Renters are required to sign a contract outlining the specific requirements including but not limited to those listed here.**
- 8. No guarantee of job performance is made, either explicit or implicit.**
